

March 1st, 2021

To: All Members of the Philippine Correspondence Chess Association

Subject: Executive Committee 2020-2021

I am pleased to announce the members of the Executive Committee for the year 2020 - 2021:

Name	Position	Email address
Arthur Simplina	President	pcca-iccf@hotmail.com
Brigiliano Perez	Secretary	pcca-secretary@hotmail.com
Sheryll Bordon	Treasurer	Pcca-treasurer@hotmail.com

The President is responsible for the overall administration of the Association and who shall be entitled to act as Chairman of all General and Committee Meetings.

The Secretary is responsible for keeping the minutes of the meetings (Executive Committee and General Membership meetings), will be in-charge of the publications like the Newsletter, official announcements in the Associations' Facebook group pages and messenger and in the maintenance and content creation of the Association's website ([www.pcca-iccf.org](http://www.pcca-iccf.org) – still under development).

The Treasurer is responsible for the Association's financial administration – inflow of money from voluntary contributions, membership dues and other means like sponsorships and revenues from tournaments and outflow of money for payment of membership dues of the Association to the ICCF, payment of registrations fees of members playing in various tournaments and other expenses related to the Association's events and activities. The Treasurer will be responsible for the opening of bank account of the Association and in reporting the financial statement of the Association to the general membership. In addition, the Treasurer is also responsible for the member services and in providing necessary resources for the training and development of members.

With the active participation and cooperation of the general membership, the Executive Committee will lead the way forward to the success and growth of the Philippine Correspondence Chess Association in the years to come.

***Amicus Sumus!***

Arthur Simplina

President

Philippine Correspondence Chess Association
